

V. Public Comment and Input

The Commission welcomes public participation. Public Comment and Input will be taken as time permits; comments shall be limited to 3 minutes per person and not more than 10 minutes for a particular subject so that everyone may be heard. If these time limitations are insufficient for expressing your thoughts, alternative channels, such as submitting written comments, are generally available. This section is limited to matters under the jurisdiction of the Commission not covered in today's agenda, as well as items that are on the consent agenda, and items which have not already been considered by the Commission. To maintain a professional atmosphere, please address comments exclusively to the Commission. The Commission Chair may limit comments deemed irrelevant, repetitive, or beyond the Commission's jurisdiction. According to Colorado's open meetings law, formal actions are restricted to the agenda items; as decisions require advance notice, the Commission is unable to take action on any items not listed on the agenda today; however, the Commission values and welcomes your input.
